Answer

(a) to (d) The National Institute for Entrepreneurship and Small Business Development (NIESBUD) is a premier organisation of the Ministry of Skill Development and Entrepreneurship mandated to engage in training, consultancy, research, etc. in order to promote entrepreneurship. The major activities of the Institute are Training of Trainers, Management Development Programmes, Entrepreneurship-cum-Skill Development Programmes, Entrepreneurship Development Programmes and Cluster Intervention. Hence, no such scheme has been launched under the purview of National Institute of Entrepreneurship and Small Business Development (NIESBUD) for skill development, as on date.
